

BEGINNING HTML

THIS SAYS
"BEGIN ITALICS NOW."

THIS IS THE
ACTUAL TEXT

THIS SAYS
"END ITALICS NOW."

`text`
text

THIS IS WHAT
SHOWS UP ON
YOUR SCREEN

EMPHASIS (ITALICS)

`text`

Italicizes text

STRONG

`text`

Makes text bold

PARAGRAPH

`<p>text</p>`

Creates (and then ends) a paragraph.

LINK

`text`

Creates a link. Clicking on the word "text" will bring you to <http://www.google.com>.

IMAGE

``

Adds an image from the specified link.

HEADER

`<h1>text</h1>`

Formats your text as a header. By default, this means that your text will be larger and have space around it. You can also use h2, h3, and so on.
